NEGROES ASK FOREIGN AID. A dispatch from Cleveland, O., says that three hundred thousand negroes represented by the Equal Rights Association have appealed to the emperors and kings of the Old World to aid them in the United States.

The petitioners declare they are victims of gross injustice and that all of them are likely to be murdered by the whitesof America. Intervention through the representatives of the European and Asiatic monarchs at Washington is requested to compel the United States to grant the blacks the justice they assert is denied them.

C. W. Hines, chairman of the executive committee of the Equal Rights Association, is the author of the appeal to the Old World. He made public this appeal at the headquarters of the association in Cleveland. The views expressed are not big along T. pressed are not his alone. They represent the sentiment of all the members of the association, for they were adopted at a secret session of the association, Feb-

The right of the negroes to appeal and foreign governments to intervene is based on the United States' interference in behalf of the Cubans.

MR. HANNA AND THE PRESIDENT .-The recent interview between the President and Senator M. A. Hanna regarding the probability of Mr. Hanna benomination next year seems to have been more interesting and comprehensive than was disclosed in the brief notices given it by the newspapers at the time. Mr. Hanna, having been asked bluntly by the President whether he intended FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—
Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while testhing, with perfect success. It soothes the child softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoca. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

given it by the newspapers at the time. Mr. Hanna, having been asked bluntly by the President whether he intended becoming a candidate, did not content himself with a simple disclaimer, but proceeded frankly to make suggestions to the President with reference to Mr. Roosevelt's future. Having suggested to the President that the only person who could defeat Mr. Roosevelt was Mr. Roosevelt himself, Mr. Hanna, it is who could defeat Mr. Roosevelt was Mr. Roosevelt himself, Mr. Hanna, it is GEORGE E. PRICE & CO., said, told the President that the great repose entire confidence in the administration's course and policy, and that if their confidence should be further shaken, and that if during the next year they were not satisfied that the distrust was not unwarranted the situation might be difficulty for the President to handle. Mr. Hanna was, as usual, adroit in his answers and suggestions. The fact that he disavowed any intention to become a candidate does not seem to have changed the situation at all. The President aim-ed by candor to learn Mr. Hanna's intentions, but he was apparently not suc-cessful. As far as Mr. Hanna is concerned the situation is left just where it was prior to this interview. By sugges tion that Mr. Roosevelt might hurt himself it can be gathered that Mr. Hanna probably was contemplating the possibility of the elimination of Mr. Roosevelt

MISS IDA M. SNYDER,

In the beginning of a woman's troubles. With the vitality at a low ebb, the blood weakened, the digestion disordered, she goes about palefaced, hollow-eyed and haggard, a piteous contrast to the bloo ming health of her former self. But over 1,000,000 women have found health again by taking Wine of Cardui. As a regulator of the menstrual periods Wine of Cardui has never been known to fail. It has seldom failed to restore perfect health, even in the most persistent and aggravated case of weakness.

Miss Ids M. Snyder, of No. 535 Bergem Street, Brooklyn, N. Y., has used Wine of Cardui and she says it helped her into a new life. Health to Miss Snyder is worth a great deal. She is an attractive young woman with intellectual attainments and she occupies the position of Treasurer of the Brooklyn East End Art Clob. This position marks her as a person of intellect, culture and refinement and it speaks highly of the respect and trust her fellow women have in her. She writes:

"If women would pay more attention."

The writers of the circular then allege they cannot get justice in the courts and that negroes are burned at the stake, where pieces of flesh are cut from the bodies and auctioned among the spectators.

The appeal concludes as follows:

'In God's name, will the King of England, will the Emperor of Germany, will the Czar of Russia, will the Sultan of Turkey, will the Shah of Persia, will the King of found guilty, expelled.
